

SPARK 2020

CHEVROLET

Spark 2LT in Red Hot.

STRIKE UP A LITTLE FUN.

Spark. The beginning of something new. A great idea or a brilliant thought. That's the thinking behind the Chevrolet Spark, a small car ready to take on the city. It's not only fun to drive, it also fits almost anywhere you need to go with space for friends and necessities. Smart technology helps keep you connected. And with an EPA-estimated 38 MPG highway¹, Spark gets around. And around.

FIND NEW ROADS™

¹ Spark has an EPA-estimated 29 MPG city/38 highway with 5-speed manual transmission and 30 MPG city/38 highway with available Continuously Variable Transmission (CVT). Spark ACTIV has an EPA-estimated 29 MPG city/37 highway with 5-speed manual transmission and 30 MPG city/37 highway with available CVT.

MODELS

LS

Small wonder. Spark LS gives you 5-door fun with a practical side.

With 10 standard airbags¹ and a Rear Vision Camera², Spark may be small in size but it's big on safety. In addition, a StabiliTrak[®] Electronic Stability Control System and a Chevrolet Infotainment 3 system³ help you stay confident and connected.

1LT

Move on up to a Spark that really shines in the city.

This Spark is designed to be the center of attention, with 15-inch Silver-painted aluminum wheels and body-color mirrors.

With available SiriusXM[®] Radio⁴ and electronic cruise control, Spark 1LT is perfect for hitting the open road.

¹ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ² Read the vehicle Owner's Manual for important feature limitations and information. ³ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁴ If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. Please see the SiriusXM Customer Agreement at siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-635-2349. All fees and programming are subject to change.

MODELS

ACTIV

ACTIV is the nimble compact car for those who like to live life on the adventurous side.

Standard equipment includes unique front and rear bumpers, rocker panel trim, roof rails, fender flares, 15-inch Gunmetal Silver-painted aluminum wheels and front foglamps with chrome rings.

Jet Black leatherette heated front seats and a leather-wrapped steering wheel add the finishing touches. The rest is up to you.

2LT

A Spark with plenty of style as well as available safety features to help alert you to potential dangers.

A Driver Confidence Package¹ including Forward Collision Alert, Lane Departure Warning and Automatic Emergency Braking is available.

You'll also find Keyless Open and Start and Rear Park Assist¹ that can help guide you while parking in tight spots.

¹ Read the vehicle Owner's Manual for important feature limitations and information.

Spark 2LT interior in Jet Black with
Dark Anderson Silver accent stripe.

INTERIOR DESIGN

STAY PLUGGED IN.

- Available 4G LTE Wi-Fi¹ provides a fast and reliable connection for up to seven devices.
- Chevrolet Infotainment 3 system² with 7-inch diagonal color touch-screen.
- Apple CarPlay^{®3} compatibility.
- Android Auto^{™4} compatibility.
- myChevrolet Mobile App⁵ available to download.

¹ Service varies with conditions and location. Requires active service plan and paid AT&T data plan. Visit onstar.com for details and limitations. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁴ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ⁵ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. User terms apply. Device data connection required. Visit onstar.com for details and limitations.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google LLC.

Two illuminated USB ports¹ for easy smartphone plug-ins.

27.2 cu. ft.² of cargo space with rear seat folded.

Apple CarPlay^{®3} compatibility.

¹ Not compatible with all devices. ² Cargo and load capacity limited by weight and distribution. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.

SAFETY AND DRIVER ASSISTANCE

READY AND VIGILANT.

Automatic Emergency Braking. At speeds below 37 mph, if an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Available on 2LT with Continuously Variable Transmission.

Forward Collision Alert. This feature monitors how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Available on 2LT with Continuously Variable Transmission.

Lane Departure Warning. This camera-based system reads traffic lane markings when identifiable and provides alerts if you unintentionally drift out of your lane without using a turn signal. Available on 2LT with Continuously Variable Transmission.

Rear Park Assist. When traveling in Reverse at low speeds, this feature can provide distance alerts when it detects certain stationary objects in close proximity behind the vehicle. Standard on 2LT.

Rear Vision Camera. When traveling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Spark. Standard on all models.

10 standard airbags! Every Spark includes frontal and knee airbags for driver and front passenger and head-curtain and seat-mounted side-impact airbags for all outboard seating positions.

StabiliTrak® Electronic Stability Control. This standard system detects the difference between the path being steered and the direction the vehicle is actually traveling. It then uses the brakes and, if necessary, adjusts engine torque to help you keep your Spark on track.

OnStar Automatic Crash Response? In a crash, built-in sensors can automatically connect you to a specially trained, Emergency Medical Dispatch-certified Advisor³ who can help you get the assistance you need – even if you can't ask for it. Advisors can use GPS technology to pinpoint your vehicle's approximate location and contact first responders to get you help. OnStar Automatic Crash Response is included in the available OnStar Safety & Security Plan².

Safety starts with you. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

¹ A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ² OnStar plan, working electrical system, cell reception and GPS signal required. Not all vehicles may transmit all crash data. OnStar links to emergency services. Visit onstar.com for details and limitations. ³ OnStar Advisors are certified by the International Academies of Emergency Dispatch.

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. **2** Read the vehicle Owner's Manual for important feature limitations and information. **3** Requires available CVT. **4** Excludes spare tire. **5** OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Visit onstar.com for details and limitations. Availability subject to change. **6** Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. **7** Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. **8** Go to my.chevrolet.com/learnAbout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model, and software version. **9** Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. **10** Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. **11** Not compatible with all devices. **12** If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. Please see the SiriusXM Customer Agreement at siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-866-635-2349. All fees and programming are subject to change. **13** Service varies with conditions and location. Requires active service plan and paid AT&T data plan. Visit onstar.com for details and limitations. Availability subject to change. **14** Standard connectivity available only to original purchaser for 10 years. Services enabled by Connected Access are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations.

NEW VEHICLE LIMITED WARRANTY

3-year/36,000-mile Bumper-to-Bumper Limited Warranty.

Chevrolet will warrant each 2020 Spark from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

IMPORTANT INFORMATION

Chevrolet Owner Center (my.chevrolet.com). Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Chevrolet Connected Services and OnStar. Connected vehicle services vary by vehicle model and require an active service plan, working vehicle electrical system (including battery), cell reception and GPS signal to function properly. Visit onstar.com for details and limitations.

A note on child safety. Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

Important words about this catalog. We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to

5-year/60,000-mile transferable Powertrain Limited Warranty.

Every 2020 Spark comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.

vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.

Fleet orders. Some standard content may be deleted on fleet orders. See dealer for details.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Chevrolet.com/safety. Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

Gmmobility.com (1-800-323-9935). GM MobilitySM offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

The BuyPower Card. The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
